

# UTSC Alumni and Community Concert Band serenade Breakfast Television audience

Jun 7, 2013

Viewers of a popular City TV morning show got to wake up to the beat of a UTSC drum Friday morning.

The UTSC Alumni and Community Concert Band were guests on the June 7 episode of Breakfast Television. The band performed live, while members also gave the show's hosts a few lesson on how to play a variety of instruments.

Click [here](#) to watch the band perform live on Breakfast Television.

Founded in 2010, the band is comprised of current students, alumni, and community members who are serious about performance and are looking to play a challenging repertoire. The band performs at UTSC and in the community throughout the year.

For more information about the UTSC Alumni and Community Concert Band click [here](#).

Members of the UTSC Alumni and Community band teach the Breakfast Television hosts the finer points of concert band music.
